

Friends of the Presque Isle Library

2025 Newsletter

Your contributions to the Friends of the Library (FOL) help us enhance the library with new books, movies, furniture, and programs for the community.

Soup Social

This year we hosted our very first Soup Social! We welcomed 72 people, and tasted 13 types of soup and 5 different breads. Our volunteers and soup chefs helped make this a warm and cozy gathering during the long winter.

Book Sale

We held our Book Sale again this year, and made \$787.37 for the Friends of the Library! We were able to find new homes for secondhand books and bring new book-lovers into the library.

Ways to Get Involved

Library volunteers do much more than shelve books - whether we're hosting events, making soup, or watering plants, we're having fun and doing important work to help support the Library!

Library Happenings

Kids enjoyed making birch bark crafts at our summer kids' programs.

This workshop on needle-felted dryer balls offered a creative learning opportunity.

Library Assistant Sarah and volunteer Pam enjoy afternoon tea in the library's new seating area, with comfortable furniture purchased by Friends of the Library.

Warren Nelson and Friends delighted the audience with another great community concert.

The Material Girls Quilt Group donated the proceeds from this quilt to the FOL - \$2475.15

Why Support The Friends of the Library?

316 books

51 large-print books

40 movies

added to the library in 2025

700 people

attended
